If you're planning a fly fishing trip to one of the state premier rivers, it's important to do your research and choose the right flies, access points, and guide. In this article, we'll provide you with all the information you need to have a successful and enjoyable fishing experience.

Flies

The flies you choose will depend on the time of year, the water conditions, and the fish species you're targeting. However, there are a few general tips that can help you choose the right flies:

- Match the size of your fly to the size of the fish you're targeting.
- Use a variety of flies to cover different water conditions and fish species.
- Experiment with different colors and patterns until you find what works best.

Here are some of the most popular fly patterns for fishing the state premier rivers:

- Dry flies: Adams, Blue-Winged Olive, Caddis, Elk Hair Caddis, Griffith's Gnat
- Nymphs: Hare's Ear, Pheasant Tail, Prince Nymph, Stonefly Nymph, Woolly Bugger
- Streamers: Clouser Minnow, Marabou Muddler, Woolly Bugger

Access

There are a variety of access points to the state premier rivers. Some of these access points are public, while others are private. It's important to check the regulations for the river you're fishing before you go, so that you know where you can and cannot access the river.

Here are some of the most popular access points to the state premier rivers:

- Public access points:
 - Upper Rogue River: Recreation Site

- Middle Rogue River: Rainie Falls Trailhead
- Lower Rogue River: Lobster Creek Recreation Area
- Umpqua River: Winchester Dam Boat Ramp
- Klamath River: Iron Gate Dam
- Private access points:
 - Upper Rogue River: The Lodge at Fly Creek
 - Middle Rogue River: Rogue River Lodge
 - Lower Rogue River: Jedediah Smith Redwoods State Park
 - Umpqua River: South Umpqua River Guide Service
 - Klamath River: Klamath River Guide Service

Guides

If you're new to fly fishing or you're unfamiliar with the river you're fishing, it's a good idea to hire a guide. A guide can help you choose the right flies, find the best fishing spots, and teach you the proper techniques.

Here are some of the benefits of hiring a guide:

- You'll learn from an experienced angler.
- You'll have access to private fishing spots.
- You'll increase your chances of catching fish.
- You'll have a more enjoyable and memorable fishing experience.

If you're interested in hiring a guide, be sure to do your research and choose a reputable company. You can find a list of reputable guide services on the websites of the state fish and wildlife agencies.

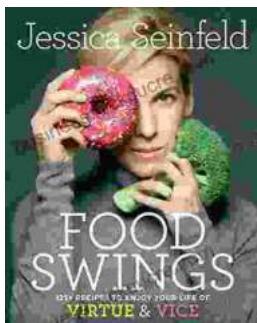

By following the advice in this article, you can increase your chances of having a successful and enjoyable fly fishing trip to the state premier rivers. Be sure to choose the right flies, access points, and guide, and you'll be well on your way to catching fish and creating memories that will last a lifetime.
