Addy started taking drugs to cope with the pressure of her parents' expectations. She was also in a relationship with Simon, and she was devastated when he broke up with her. Addy may have killed Simon in a fit of rage or jealousy.
- **Nate Macauley:** Nate is the star athlete of the group. He's popular and charming, but he's also closeted gay man. Nate was afraid that Simon would out him, so he may have killed him to protect his secret.
- **Cooper Clay:** Cooper is the rebel of the group. He's a loner and an outsider, but he's also fiercely loyal to his friends. Cooper was angry with Simon for spreading rumors about him, so he may have killed him in retaliation.
