They see islands that are inhabited by giants, and they meet a woman who can control the weather. They also encounter a magical horse that can talk and a giant bird that can fly across the ocean.

Finally, Bran and his companions reach the Land of the Ever-Young. It is a beautiful land where the people never age or die. Bran and his companions are welcomed by the king and queen of the land, and they are given a place to live.

Bran and his companions stay in the Land of the Ever-Young for a year and a day. During that time, they learn many things about the nature of reality. They learn that the world is not as it seems, and that there is more to life than meets the eye.

Eventually, Bran and his companions decide to return to their own world. They say goodbye to the king and queen of the Land of the Ever-Young, and they set sail for home.

The journey back is not as easy as the journey there. Bran and his companions encounter many storms and dangers along the way. But eventually, they make it back to their own world.
